

Happy Holidays 2019

[00:00:01] Happy holidays! This is Louanne Bakk.

[00:00:03] And this is Peter Sobota and Louanne and I have decided that Dr. Shanta Rashid has the most delightful voice on our faculty. And so we have chosen for her to offer our message. Take it away, Shanta.

[00:00:17] Which is happy holidays! And that's about it, really. Have a great break and eat lots of cake.

[00:00:23] Yeah, you see? We were right. That was delightful.

[00:00:25] It was. Absolutely.

[00:00:27] And very sweet.
